

Happybins

Commercial Bin Cleaning

Making Your Bins Happy Bins

Who we are

Happybins was established in 2005 with one person and one customer. With 8 employees we are now serving over 2500 customers including Harvey Nichols, Balmoral Hotel and McDonalds Restaurants, a growing business where customers come first and quality is paramount.

The Cleaning Service

- Two wheels cleaned inside and out including lids, disinfected and lined. 120ltr - 360ltr
- Four Wheels cleaned and disinfected. 550ltr - 1300ltr

Make Your Bins Happy Bins

The Environment

Environment Responsibility: All bins are housed during the cleaning process in our purposed built vehicles. The water is retained and recycled in the vehicles. Recycling the water up to five times, meaning we use up to five times more water to clean your bin. The foul water is disposed in a sewage drain.

The Disinfectant

Disinfectant we use is approved by DEFRA and used by the NHS. It kills 99.999% of the Bacteria on and in your bin including Swine Flu and MRSA. It kills the germs within 30 seconds and last up to 7 days. **We leave your bin clean and smelling fresh.**
